DETAILED ACTION

Allowable Subject Matter

1. Claims 1-24 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art did not disclose or suggest a valve stem cap adapted to fit on the valve stem and having a pair of valve stem cap electrical contacts, a first valve stem cap electrical contact in series with a second valve stem cap electrical contact; wherein upon installation of the valve stem cap, the first valve stem electrical contact makes electrical connection with the first valve stem cap electrical contact and the second valve stem electrical contact makes electrical connection with the second valve stem cap electrical contact, wherein the circuit is interrupted when the first valve stem electrical contact is separated from the first valve stem cap electrical contact and the second valve stem electrical contact is separated from the second valve stem cap electrical contact, wherein the circuit restored when the first valve stem electrical contact is connected to the first valve stem cap electrical contact and the second valve stem electrical contact is connected to the second valve stem cap electrical contact.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
